

Hotel Ramee Abirami Residency

Hotel Overview

India has a host of picturesque hill stations with each one having its own unique charm. Nature blossoms at its best in these hidden gems. Tucked amidst the fragrant hills of Western Ghats is Kodaikanal.

Located 120 km from Madurai at an altitude of 2133 metres above sea level in the beautiful Western Ghats, Kodaikanal is one of the most frequently visited hill stations in India as it provides the perfect getaway to those who want relief from the hot, sultry conditions of the plains, especially since it is close enough to the Madurai city to make just a weekend trip.

The hotel is conveniently located at the main town near Kodai Lake in the start of Observatory road which leads to all the sightseeing places of this beautiful hill station.
